[linkedin.com/in/markhavenbritt/](https://www.linkedin.com/in/markhavenbritt/)

Results-driven design leader with deep expertise in brand, campaign, and content work across tech, fintech, healthcare, and entertainment. Player-coach who builds the systems, directs the work, and picks up the pen when it counts. Clients include Meta, ESPN, Marvel Comics, PagerDuty, Coca-Cola, Kaiser Permanente, and BBDO.

EXPERIENCE

CREATIVE DIRECTOR | 05/2010–Present

Freelance | Berkeley, CA

Hands-on creative lead driving brand systems, campaigns, and content production across digital, social, video, and mixed media for tech, entertainment, and culture-driven brands.

- Directed multidisciplinary, cross-functional teams of designers, animators, editors, and external partners across concurrent projects.
- Built and launched BINARY via Kickstarter (138% funded, 99 backers) — brand development, campaign strategy, video production, social media, and fulfillment.
- Founded Twin Star Comics — a digital comics studio. Leading creative direction, brand architecture, production systems, and artist management.
- Created and directed Dimes & Daggers, a sports and pop culture editorial platform in the spirit of The Ringer, developing its brand, voice, and visual system.
- Oversaw production across motion, live-action, and design, ensuring cohesive storytelling across formats.
- Partnered directly with clients and stakeholders to present work, shape creative direction, and align on execution.
- Balanced speed and quality in high-volume environments, maintaining creative standards under tight timelines and shifting priorities.

DESIGN PROGRAM MANAGER | 2023–2024

Meta (Contract) | SF Bay Area

Program lead overseeing creative production for the Ray-Ban/Meta smart glasses across web, social, email, and internal comms.

- Managed creative production for the Ray-Ban/Meta smart glasses — aligned two competing brand teams and directed content that positioned the product as culture, not just tech.
- Streamlined workflows and intake systems to support high-volume, fast-turnaround creative production across web, social, email, and internal comms.
- Coordinated cross-functional teams and external partners to deliver campaigns on time and on-brand.
- Provided creative oversight across motion and digital content to ensure consistency and quality.

HEAD OF BRAND & CREATIVE | 2021–2023

Unbabel | SF Bay Area

Led brand and creative production across a fast-scaling organization, building systems to support consistent output across marketing, product, and internal communications.

- Led the rebrand and website rebuild — simplified the narrative, restructured the site, improved clarity and conversion.
- Built an illustration system that let multiple artists produce weekly content without quality drop. Cut ebook production from 30 hours to 6 per title.
- Created the events/booth program from pitch to execution — a modular system that scaled from small meetups to major conferences.
- Managed external agencies and internal contributors across concept development, production timelines, and stakeholder review.
- Led a multidisciplinary creative team producing campaigns, video content, and digital assets across multiple concurrent initiatives.

SENIOR DESIGN LEAD | 2019–2021

BOLD | SF Bay Area

- Led full-funnel marketing campaigns across digital, social, and lifecycle — balancing creative quality with performance goals.
- Developed brand guidelines, campaign assets, and executive presentation materials.
- Designed presentation materials and stage visuals for executive keynote events.

SENIOR DESIGN LEAD (CONTRACT) | 2018–2019

Udacity | SF Bay Area

- Built a US design team for a global B2B company, reporting into the core creative team in New Zealand.
- Produced immersive storytelling content across web, social, and internal comms.
- Led team of 6+ creatives; developed performance goals, creative QA, and workflow improvements.

US DESIGN LEAD | 2016–2017

Xero | SF Bay Area

- Built and led the US brand design team for a global B2B SaaS company.
- Developed scalable brand systems and integrated campaigns, ensuring alignment with global brand teams.
- Led brand strategy and creative execution for the US market, leveraging digital and motion design.

EARLIER ROLES | 2005–2016

Delta Dental, Kaiser Permanente, PagerDuty, and freelance clients including Coca-Cola, ESPN, Marvel Comics, BBDO, Mother New York, The Andy Warhol Foundation, and Guinness

EDUCATION

BFA, Illustration & Design | Maryland Institute College of Art
